

**SUCCESS STORY:** A client from Maui, Hawaii needed to have a Power of Attorney document written in both English and Portuguese. After consulting with his attorney and the Portugal Consulate in Providence, Rhode Island, where the document needed to be sent, I wrote the following document on his behalf in both languages (below is the simplified English language version of the document). My client got the results he wanted.

Note: Client's name and address have been changed to protect his identity and privacy.
